FOREWORD

THE TIVO IS A SYMBOL . . . a record of our years at Timken . . . The book tells in pictures the story of . . . school life . . . the people who make up our school . . . the important sports events . . . the activities . . . all of which are so much a part of our school life.

With the joy of graduation, each student feels sorrowful . . . to leave his school . . . classrooms and shops . . . teachers . . . friends . . . time spent in recreation.

Students leave the auditorium after enjoying an assembly of special interest.

At 3.30, the day is not over for students, as they board the bus, going their separate ways to take part in varied activities.

Four years have come and gone;
 Our diplomas we have won.
 To our friends and teachers we say
 We are sorry to go away.
 We've had so many happy days;
 But now we must go our separate ways.
 The joys we've shared and the friends we've made
 Will never from our memories fade.

The Class of '60 rides again
 Swift and sure and bound to win.
 We've got one more year to prove our claim
 That we will honor Timken's name.
 To the underclassmen we will prove
 That we are really in the groove.
 The key to the future we now hold
 If we do our tasks as they unfold.

Two years are behind us now,
 But there's no time to take a bow,
 For we have two more years in which to try
 To graduate from Timken High.
 Never a frown and never any fears,
 We'll be seniors in two more years,
 As toward life's highest goal we aim
 We're sure to honor Timken's name.

 We know our hopes will never die,
 For we meet the challenges of each new day,
 Whether in work or whether in play.
 In the next three years we will win our fame
 And try to honor Timken's name,
 By trying our best in every way
 To accomplish the most from day to day.

Sixty-seven teachers comprise the faculty of Timken Vocational High School. This group is made up of twenty-two specialized vocational teachers, who teach subjects related to the sixteen departments of Timken. The balance of the faculty teaches academic subjects, and the ninth and tenth grade home economics, commercial, and industrial arts programs. In addition, Timken also has a full-time librarian, two full-time music supervisors, two deans, a full-time teacher of driver's education, and two physical education teachers.

Some members of the faculty direct extra-curricular activities in addition to regular classroom work. Many of the teachers serve as class advisers.

TIVO Sweetheart Introduces the Color Section

Sandra, as Governor of Girl's State, enhances Governor O'Neil's desk in the Executive Office of the State House in Columbus, Ohio

Miss Sandra Gordon, a young lady of personality and charm, is the Tivo Sweetheart for 1959. Sandra has earned this place of honor through her devotion to Timken Vocational School, her excellent class work and her leadership in three important phases of school life. She has added her talent to the Music Department, the Publications Department and the Y.W.C.A. Rounding out a busy schedule, Sandra has served as Y-Teen delegate to their convention in Washington and New York. She also attended the Journalism Clinic at Ohio University and was a delegate to Girl's State where she was successful in her bid to become governor, the first girl from Canton to win this honor. In the capacity of governor of Girl's State, Sandy presided over the meetings in Columbus and later attended the Convention of Governors held in Washington, D.C.

Gowned in white, Sandra is ready for her inauguration as Governor of Girl's State

Miss Marilyn Young

WAS ENHANCED BY THE REIGN OF A GRACIOUS QUEEN

Marilyn Young, head cheerleader, has been chosen to represent Timken as the 1958-59 Football Queen. Marilyn was crowned in an elaborate ceremony, a tradition to which all students look forward.

The Varsity football team each year selects ten girls whom they think deserve the honor of reigning as Timken's Football Queen. From these ten girls, the Senior Class chooses five finalists.

A whirlwind campaign follows, complete with beautiful posters. At the annual school elections, the Senior, Junior, and Sophomore Classes vote for the girl whom they wish to be queen. However, the queen's name is not revealed until coronation day.

With a pleasing smile, Marilyn Young displays a queenly attitude. Her escorts are Calvin Mowry and Joe Volko.

Marilyn is majoring in the Secretarial course.

Marilyn Young strikes an interesting cheerleader's pose.

The Trojans opened their 1958 grid season with a bang by whipping Akron North, 32-6

Timken wasted little time in getting to paydirt as Walt Robart ripped around left end for the score on the fourth play from scrimmage

Joe Valko then showed his record breaking talents by connecting with 4 touchdown passes to climax a perfect evening

The second battle of the season showed Timken edging the mighty New Philadelphia Quakers, 6-0

Valko again was the big gun, as he broke loose for 42 yards into paydirt for the game's only score

Timken just couldn't stop the powerful Solem eleven as the Quakers rolled over the Trojans' first after winning two straight

The Trojans downed the Dover eleven in a power fighting 13-7 decision

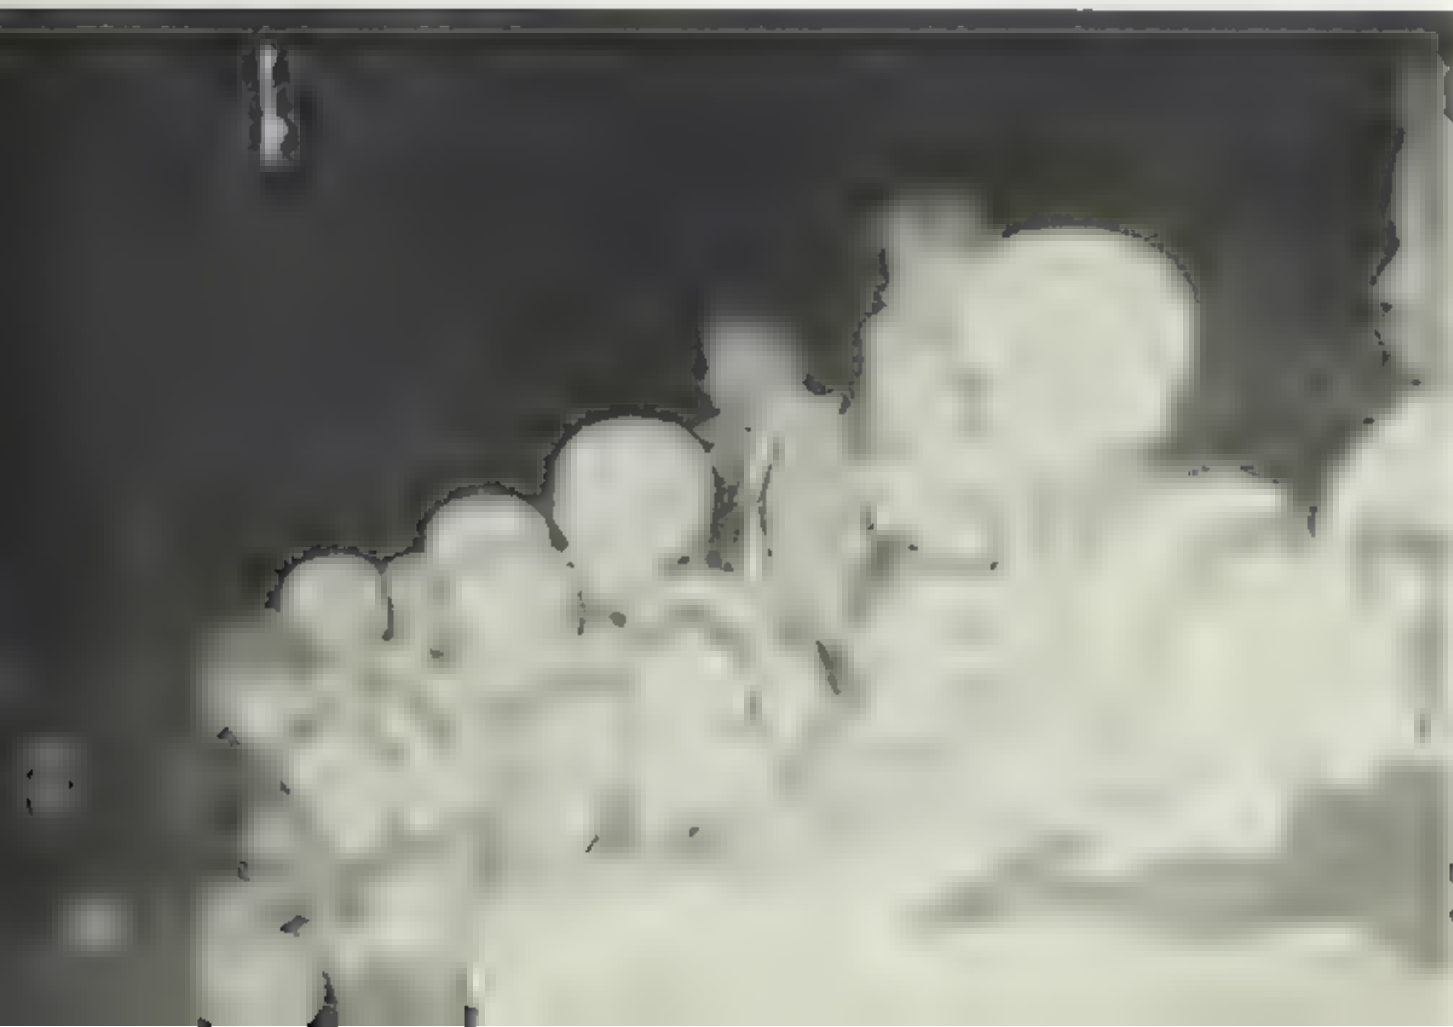

Valko connected with end Ron Nolte, and this play highlighted a 70-yard touchdown drive for the first score of the game

The Trojans climaxed the game when Valko blocked a punt and Tom Bible scooped up the ball and ran into the end zone for the score

The Central Catholic Crusaders proved to be a little too powerful for the Trojans as the final score of 22-14 shows. John Namciu was the man to watch as he scored all of Timken's points in certainly the most interesting game of the season

The Timken Trojans were their own worst enemy as they tied the powerful and undefeated Carrollton Warriors, 6-6

FOOTBALL *continued*

Carrollton broke the ice in the second stanza, driving 79 yards as the fullback pulled over from the two-yard stripe for the score. Timken came roaring back and in five plays tied the contest at 6-6. Walt Robart legged it to the Warriors' two and then plowed over on the following play into paydirt for the score.

Joe Valko saved the day when he pulled his teammates together, and in the last four minutes scored two quick touchdowns to triumph over Lehman, 16-6.

Valko barreled his way from the one-yard stripe for Timken's first score. Then in about three minutes Timken steamrolled for another score as end Joe Lee caught a Valko pass in the end zone.

Timken showed Ravenna who was boss, as they plowed through the Ravenna crew, 33-6. Valko tossed to end Joe Lee for the Trojans' first score and then to Robart for two other scores. Two more scores were bounced as Myron Fritz scrambled through the middle to highlight Timken's offensive.

Timken lost its third game, 15-6 to a powerhouse from Lincoln. Joe Valko set a new school record by completing a 33 yard pass to fullback Myron Fritz.

It was a real heartbreaker to lose the homecoming game, but this year's team was of high spirit and gave us all something to remember.

This year, in the assembly, which was written by Mrs. Catherine Burch, the girls were part of a dream, a dream in which some valuable advice was given "Poor Tim". Marilyn Young spoke to "Poor Tim" about loyalty; Barbara Yost, scholarship; Carol Abbey, citizenship; Judy Dasco, leadership; and Georgene Carney, graciousness.

After each girl had given her advice and "Poor Tim" had shown his appreciation with gifts of flowers, the identity of our queen was revealed by Joe Valko.

Coch Kenneth Kate's famed full-court press proved to be effective as the Trojans jumped to an interesting 14-4 season

Timken opened by squeezing past Akron Hower, 39-32 and continued to battle for their second straight victory by trouncing Western Reserve Academy 57-32. Namciu led the scoring parade with 24 markers

The Trojans lost a heart-breaker to the Lions by a 49-36 count. Namciu was the only Trojan to hit double figures, sinking a mere 10 points

Timken came "Smiling" through after slicing Dayton Stivers, 66-57. Dayton was rated one of the top teams in the area, until chopped down by the Timkenites

The Blue Devils of Zanesville, state's semi-finalists last year, had won 22 games in a row before being buried by the Troymen, 60-43

The Trojans had little to cope with as they trounced Jackson, 67-46. Cleveland John Adams was no match and was rolled over by Timken, 69-47.

Lehman ended Timken's winning streak by upsetting the Trojans by a 67-58 count. This was the Trojans second loss to city rivals

Timken was back on the winning road as they shattered Kent 69-38 and didn't stop as they rolled by a tough Ravenna five, 63-50

The Trojans edged Sandy Valley for their third straight win, by a 49-44 count, and Akron North was held breathless from the beating by the Trojans at 63-49. Barberton was no exception and fell by the mighty hands of the Troymen by a 67-50 upset.

A tall Lakewood quintet was barreled down, and walked out mighty small, as Timken copped scoring

Electric Shop, displaying ability, walked off with the laurels of Intramural basketball champions.

Twenty-seven teams took part in this school activity including approximately 270 boys. It took about 70 games to roll through the season.

In the American League, Electric Shop defeated the Drafters, who were the winners of the Losers Bracket, and then rolled past the National League champs, Sheet Metal.

Home Room 216 glided to championship in the American Association by defeating H. R. 334A; and then continued to wipe off H. R. 428, the champions of the National Association.

Electric Shop battled H. R. 216 for the school title and soared to victory shoving H. R. 216 into a very nifty defeat.

ROCKETTES

Under the direction of Mr. Cecil Armitage, the fifty-one Rockettes and Majorettes thrilled football enthusiasts at half time throughout the football season. The Rockettes, along with the band, worked endless hours during the summer and early fall to perfect their routines.

The Rockettes performed at every game this year. At the Lehman game, an entirely new routine was shown. The girls performed their "kicks" from a sitting position on colorful campstools.

The A'Capella Choir performs for many school assemblies; this year, they were the highlight of the Christmas Assembly. They have a leading part in the Annual Spring Choral Concert; and in addition, this group performs for many civic organizations.

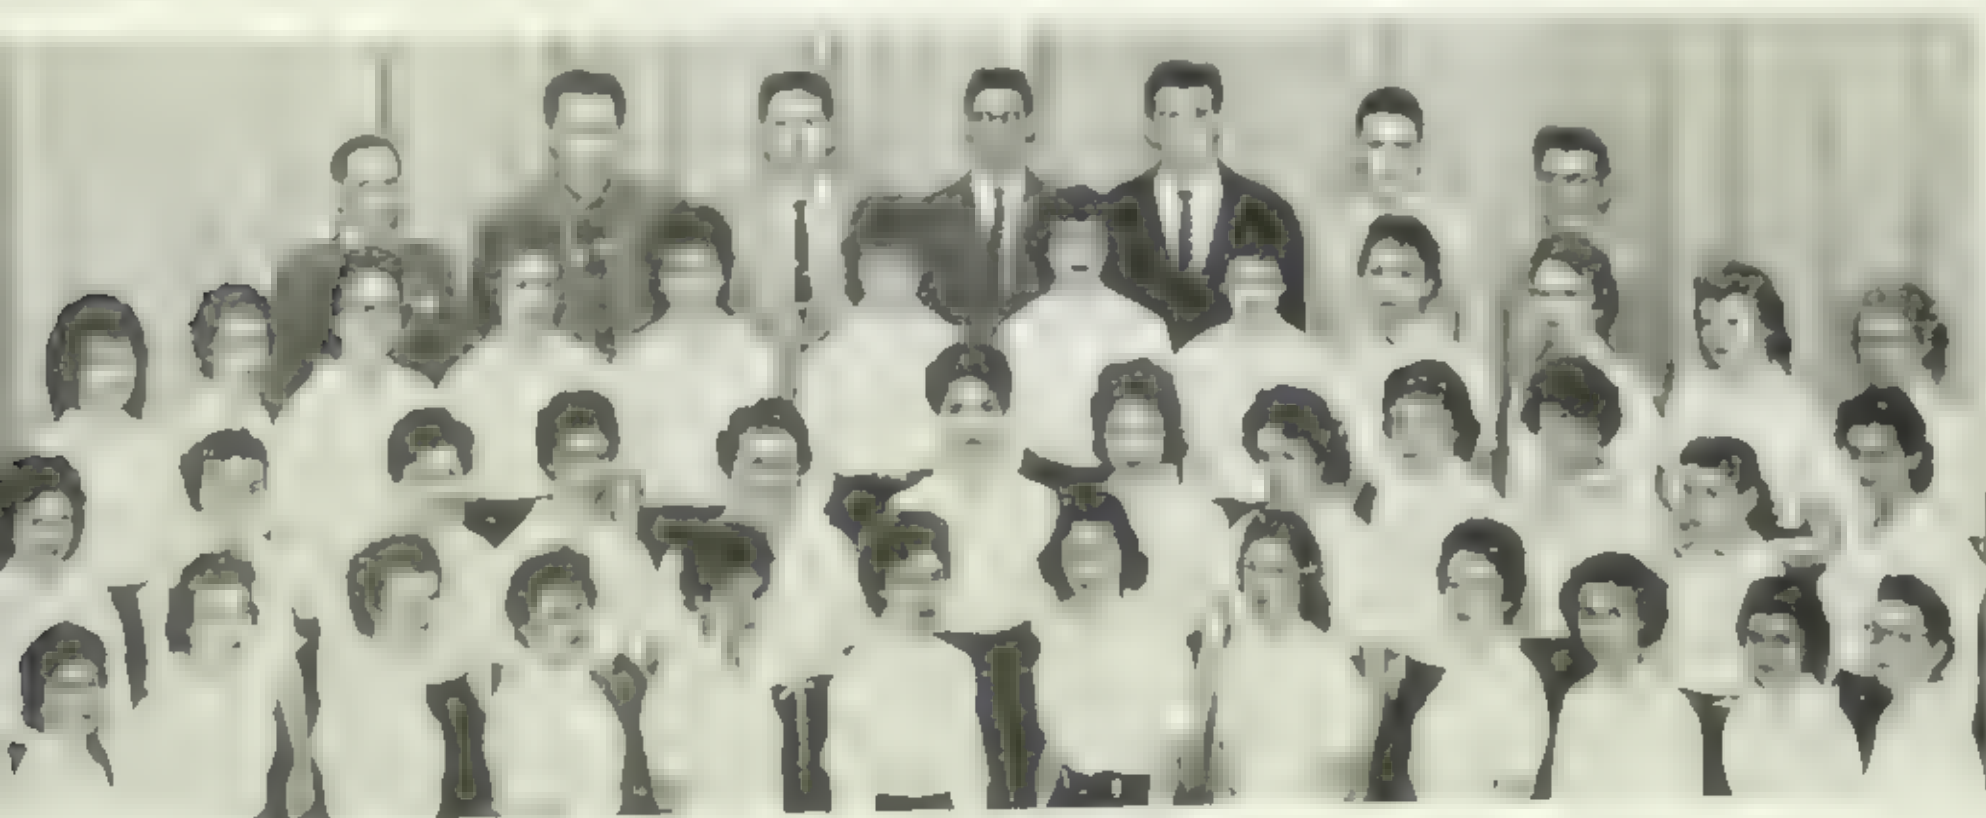

GIRLS' GLEE CLUB AND MIXED CHORUS

Students who have participated in general chorus classes are eligible for Girls' Glee Club and the Mixed Chorus. The Girls' Glee Club is noted for its four-part harmony. PUBLICATIONS

The TIVO and TYRO staffs have worked diligently this year to produce an annual and newspapers of high quality.

The cover design, lay outs, and all art work throughout the TIVO were produced by Dave Eckroate. Dave also decided to continue the color section of the annual, which won much acclaim at the Ohio University Workshop this year.

The TYRO became a 4-page bi-monthly paper. Many other new ideas were worked out, including an exchange policy through which the TYRO receives papers from all parts of the world.

Shelving books, helping at the desk, delivering library slips and typing are the main duties of a Timken student librarian. In order to be eligible to become a staff member, students must have an 85 per cent average, a free period each day of the week and the ability to take responsibility.

Colorful labels were painted on the books, according to their divisions, in order to aid students and teachers.

The staff, under the direction of Miss Ada Zimmerman, attended two informative library conferences this year—one in Warren, Ohio and one in Cleveland, Ohio.

GUIDE SERVICE CLUB

Members of the Guide Club are well informed on the location of all school departments and personnel. Students are "on duty" each day in the lobby to assist visitors in finding their destinations. Ushering at special school and civic events is another interesting duty of the Guide Club.

Before becoming a member of the Guide Club, students are required to take a written test concerning the location of activities and personnel.

REPOSITORY QUIZ WINNERS

P. Zugic, T. Friedman, G. Smith, Mr. Martin, J. Medley

Timken Vocational High School has a unique plan for honoring students who maintain grades of 90 per cent or above for a six-week period. These students receive honor roll cards showing their achievement.

At the close of the second semester, for maintaining these grades, each student is presented a special certificate at a banquet held in his honor. This certificate is highly prized by the student who earns it.

There is a similar plan for all students who maintain grades of 85 per cent or above in all subjects.

Each year, the Canton Repository makes up and distributes a general information quiz, to be given to all high school students in Canton. The paper awards prizes of \$25 to the winner of each class from every school. This year, Gary Smith, a senior from Timken, became a four time winner.

STUDENT SENATE

All the Class officers and the President and Vice President of the Booster Club form the membership of the Student Senate.

The Student Senate is the principal tie between the students and the faculty. The student body, through this organization, voices its opinions and suggestions for improvement on various activities throughout the school.

The Student Senate is under the leadership of Mr. Clifton Frizzell.

Mr. Frizzell assembles Student Senate members for a special meeting in the auditorium.

BOY TUMBLERS

The boy's tumblers match their wits against skill to perform many daring feats. It takes good co-ordination and also potent teamwork to become a good tumbler.

Along with these qualifications, tumbling requires responsibility and loyalty to teammates, as well as learning to take directions.

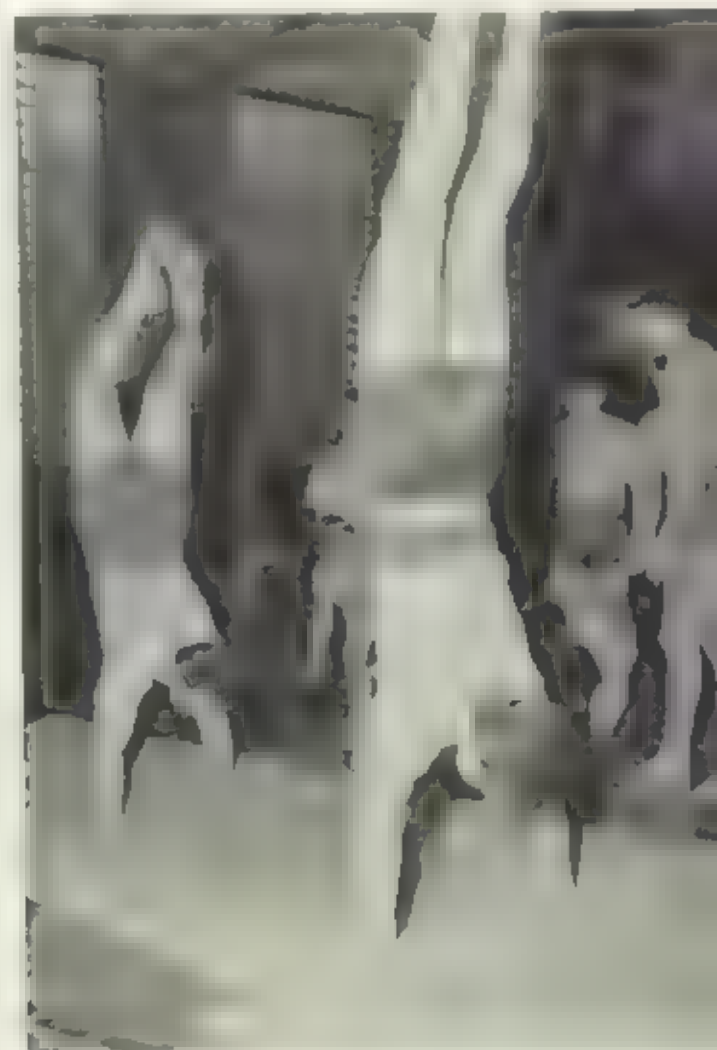

The tumblers try their hand at many different types of work on the mats, parallel bars, horizontal bars, and trampoline.

This team is coached by Mr. Frank W. Garfield.

First Row: P. Bonnevich, B. Kendrick, L. Soper, B. Parsons. Second Row: G. Ailing, E. Hayes, J. Collins, B. Antenucci, J. Shanon. J. Fields and J. Bentivegna were absent.

Friendly greetings are exchanged on the stairway.

Sometimes tumblers live in an upside-down world.
